MATS

OPTION: âme fil métal 5/10 mm

OPTION:
Intercaler bristol 5/10mm

OPTION: âme fil métal 5/10 mm

FEU POSITION sommet dérive
Rond 10/10mm couleur blanc

SUGGESTION:

Doublage partiel des flancs (bristol 2/10mm)

COUPLES A, B et C (carton 0.5mm) sont à diminuer de l'épaisseur du revêtement (ici 0.15mm) et des éventuels renforts latéraux (couples B et C)
